State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor", include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H", "W", "J", or "C" in the column labeled "Husband, Wife, Joint, or Community".

If the claim is contingent, place an "X" in the column labeled "Contingent". If the claim is unliquidated, place an "X" in the column labeled "Unliquidated". If the claim is disputed, place an "X" in the column labeled "Disputed". (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion" on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

**NOTES TO SCHEDULE F OF  
NEW LIFE INTERNATIONAL (“NLI” OR “DEBTOR”)**

1. CGAs. Since 1997 the Debtor has accepted offers by donors to purchase charitable gift annuity agreements (each a “CGA”), issued by NLI as additional options to existing planned giving programs. The present value of NLI’s obligation for annuity payments over the single or joint lives of the donors is calculated using the payout rate of each agreement and using the mortality table ANN 2000 with a present value factor of five percent for gifts made after December 2007, and six percent for gifts made from July 2005 to December 2007, and using the mortality table 90CM with a present value factor of seven percent for gifts made prior to July 2005. An exception applies to the above if NLI opted to purchase a “reinsurance contract” for the obligation. A reinsurance contract is an investment in an annuity contract that NLI purchased to offset NLI’s obligation to a donor and match the payment stream thereof. The present value of the obligation of a CGA for which a reinsurance contract was purchased has been computed using the mortality table ANN 2000 and the present value factor utilized in the related reinsurance contract. Because the amount of the claim is an estimate, and NLI’s method for making the estimate has not yet been approved by the Court, the claim of every holder of a CGA has been scheduled as “Unliquidated.”

2. ChIPs. Since 1997 the Debtor has also entered into charitable installment purchases (each a “ChIP”) of assets from certain donors. Each ChIP was designed to qualify as a bargain sale within the meaning of federal tax regulations, with payment of the purchase price via the installment method, as described in section 453 of the Internal Revenue Code. A ChIP transaction differs from a CGA in that, generally, NLI’s obligation to make installment payments to a donor pursuant to a ChIP is for a fixed term, rather than for the life of the donor and/or the donor’s designated beneficiary as in the case of a CGA. As respects most of the ChIPs entered

into by NLI, no promissory note was issued to the donor. Instead, NLI's obligation to make installments is evidenced solely by the ChIP contract itself, which states the amount of the installment to be paid, but does not make explicit the rate of interest that is subsumed in the installment amount. The present value of NLI's obligation under each such ChIP, that is, the amount of the donor's claim as stated in Schedule F, has been estimated in accordance with the same methodology as set forth in Note 1 above for the CGAs, except that the future payments have been discounted at the stated rates for the term of the ChIP, rather than for the life expectancy of the donor and/or the donor's beneficiary. In a few ChIP transactions documented in 2010, the donor did receive a promissory note that states an interest rate of approximately five (5%) percent per annum. Because the amount of the claim is an estimate, and NLI's method for making the estimate has not yet been approved by the Court, the claim of every holder of a ChIP has been scheduled as "Unliquidated."

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
